Health Home Spotlight

Brittany from Crossroads shared a success from her team with us. The local newspaper shared this amazing success story. *“This is a combination of help from our IHH staff and others in the community. A public thank you to those who helped this member... Clint and Tony are on our IHH Team here. Very proud of them!”* Tony is a peer support specialist who used his lived experience and knowledge of resources and skills to help

the member. Clint referred the member to Waubonsie Mental Health Center's Hope Center in Clarinda until he could find more permanent housing. Great job Tony and Clint!!
